

APPENDIX: List of vacancies per project

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
1	Jointly Funded Projects Unit (24 positions)	Trainee in Civil Engineering	-Minimum 5 years' higher education in Civil Engineering; -Good command of IT tools (Pack Office) and specific software (AutoCAD, Revit, Alize, Covadis, Mensura Genius, MS Project, Piste, etc.); - Knowledge of road engineering, engineering structures and construction (bridges, hydraulic structures, geometric layout, building construction, site organisation and management, price studies, earthworks, etc.); -Good command of one of the two official languages and be fluent in the other.	5
		Trainee in Transport Planning	-Minimum 5 years' higher education in Transport Planning; -Proficiency in IT (word processing, Excel, etc.) and planning tools (TRANUS, EMME 4, HDM 4, etc.); -Knowledge of transport planning ; -Good command of one of the two official languages and be fluent in the other.	2
		Geotechnics trainee	-Minimum 5 years' higher education in Geotechnics; -Good command of IT tools (Pack Office) and specific software (AutoCAD, Revit, Alize, Covadis, Mensura Genius, MS Project, Piste, etc.); -Knowledge of geotechnics; -Good command of one of the two official languages and be fluent in the other.	2
		Topography trainee	-At least 5 years' higher education in topography; -Computer literacy (word processing, Excel, etc.) and knowledge of specific software (AutoCAD, Revit, Alize, Covadis, Mensura Genius, MS Project, Piste, etc.); -Knowledge of topography -Good command of one of the two official languages and be fluent in the other.	2

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
		Trainee in Environmental and Social Sciences	<ul style="list-style-type: none"> -Minimum 5 years' higher education in Environmental Sciences; -Knowledge of national environmental assessment, compensation and expropriation procedures; -Knowledge of donor policies on safeguards (Integrated Safeguard System and Environmental and Social Framework); -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other. 	2
		Trainee in Monitoring and Evaluation	<ul style="list-style-type: none"> -Minimum 5-year university degree in monitoring and evaluation, project management, statistics, economics sociology or in any other pertinent field; -Proof of a 1st professional experience in monitoring and evaluation; -Good command of database management software; -Certification in monitoring and evaluation would be an asset; -Computer literacy (Pack Office); -Literacy in statistical software (SPSS and STATA or other appropriate software) would be a plus -Good command of one of the two official languages and be fluent in the other. 	2
		Accounting trainee	<ul style="list-style-type: none"> -Minimum 5 years' higher education in accounting, auditing or management audit; -Proficiency in at least one project management accounting software package (TOMPRO, SAGE, etc.); -Practical experience of accounting; -Familiarity with general, analytical and budgetary accounting; -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other. 	2

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
		Trainee in Procurement	-Minimum 5 years' higher education in engineering or management sciences; -Experience in procurement; -Computer literacy (Pack Office); -Knowledge of national and international procurement procedures; -Good command of one of the two official languages and be fluent in the other; -Specialisation/certification in procurement would be an asset.	2
		Trainee in Internal auditing	-Minimum 5 years' higher education in accounting, auditing or management audit; -Proficiency in at least one project management accounting software package (TOMPRO, SAGE, etc.); -Mastery of the internal audit charter; -Knowledge of financial analysis and management; -Knowledge of national procurement procedures; -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other.	1
		IT Trainee	-Minimum 5 years' higher education in IT networks and systems; -Literacy in network services (installation and configuration) in Linux and Windows environments and MS Office; -Mastery of MYSQL DBMS and a web-oriented programming language; -Mastery of project management software and IT tools (Pack Office); -Good command of one of the two official languages and be fluent in the other.	1

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
		Trainee in Administration and Finance	<ul style="list-style-type: none"> - Minimum 5 years' higher education in business administration, economics and management, accounting or finance; -Proficiency in at least one project management accounting software package (TOMPRO, SAGE, etc.); -Practical experience of administration and management; -Familiarity with general, analytical and budgetary accounting; -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other. 	3
2	Livestock and Fish Farming Value Chain Development Project (PDCVEP) (18 positions)	Trainee in Animal Production	<ul style="list-style-type: none"> - Hold at least a 5-year higher education diploma in animal production physiology or any other equivalent qualification; - Proven previous specific experience in livestock production of cattle, hog or fish species shall be considered desirable; -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other. 	1 (Ngaoundere)
		Project Management Trainee	<ul style="list-style-type: none"> - Hold at least a 4-year university degree in Project Management; - Proof of professional experience in project management; - Knowledge of the general organisation and operation of an externally-funded development project would be an advantage; -General knowledge of administrative management techniques; -Ability to use communication methods with ease (telephone, fax, email, electronic diary, etc.); -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other. 	1, (Yaoundé PMU)

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
		Trainee in Monitoring and Evaluation	-Hold a minimum 5-year university degree in monitoring and evaluation, project management, statistics, economics sociology or in any other pertinent field; -Proof of a 1st professional experience in monitoring and evaluation; -Good command of database management software; -Certification in monitoring and evaluation would be an asset; -Computer literacy (Pack Office); -Literacy in statistical software (SPSS and STATA or other appropriate software) would be a plus -Good command of one of the two official languages and be fluent in the other.	<u>(4) positions</u> <ul style="list-style-type: none"> • (1) Yaounde (PMU/Regional Office No.1) • (1) Douala (PMU/Regional Office No.2) • (1) Bamenda (PMU/Regional Office No.3) • (1) Ngaoundere (PMU/Regional Office No.4)
		Trainee in Entrepreneurship - Agricultural Financing	- -Hold at least a 4-year university degree in business management, corporate finance, agribusiness or another recognised equivalent; -Additional training in project management, business running, incubation advisory support or professional capacity-building and gender issues would be an asset; -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other.	<u>(2) positions</u> <ul style="list-style-type: none"> • Yaounde (Regional Office No. 1&2) • Bamenda (Regional Office No. 3&4)

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
		Trainee in Procurement	Academic background 1: <ul style="list-style-type: none"> - A minimum 5-year university degree in civil engineering, rural law or a discipline linked to public procurement. - Experience: a minimum of one (1) year's professional experience in procurement; - Experience in project management would be an advantage, as would the completion of research work related to public procurement (dissertations, articles, etc.). 	01 Yaounde PMU
			Academic background 2: <ul style="list-style-type: none"> -a minimum 3-year university degree in Corporate Law, Business Law, Administrative Law (Administrative Litigation), Public Economic Law (Investment Law), International Trade Law or in a discipline related to public procurement. ; -Experience: a minimum of one (1) year's professional experience in procurement in a consultancy firm, a Project or any other structure with a remit to draw up the TD, contracts and other legal documents for the Project, design and analyse tender documents and award criteria, and assess the compliance of bids with the technical specifications; Involvement in the recruitment and monitoring of the performance of the services of consultancy firms (Prime contractors) in charge of technical studies and supervision of infrastructure works; - Participation in hiring and monitoring the performance of the companies in charge of the work; Experience in project management would be an advantage, as would the completion of research work related to public procurement (Dissertations, Articles, etc.); . -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other. 	1 Yaounde PMU

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
		Trainees in fish farming	5-year degree in fish farming or a related field (Water and Forestry); - sound knowledge of pond construction and fish feed formulation (artificial feed and live prey: maggots, white worms, etc.); -Experience in the construction and installation of above-ground tanks and other fast tanks; -Ability to manage water quality in fish farming and reproduction techniques for the project's target species; -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other.	2 positions: - Yaounde (Regional Office No.1); - (1) Douala (Regional Office No.2)
		Trainee in Archiving	-3 years higher education in documentation, archiving and record management, library science; -Organised, creative, responsive and a team player; -Knowledge of the general organisation and operation of an externally-funded development project would be an advantage; -Overall knowledge of administrative management techniques; -Good writing and speaking skills in English and French; -Be comfortable using all forms of communication channels (telephone, fax, email, electronic diary, etc.); -Analytical skills and ability to manage enquiries; -Must be able to work as a team member; -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other.	(1 Yaounde PMU

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
		Communications Trainee	<ul style="list-style-type: none"> - Minimum 3 or 4 years Higher Education in the following fields: Communication, Community management, Public Relations, Journalism, Webmaster, Graphic Design with one year's experience in any other field; - Sound knowledge of the internet and MS Office tools (MS Word, Excel, Powerpoint, Publisher, etc.); - Community management and familiarity with network publication scheduling and multitasking tools: Hootsuite, Buffer, Agora pulse; - Good command of graphic design software (Adobe, In Design, Photoshop and Illustrator); - Basic knowledge of public relations and media relations; - Strong writing skills and a solid understanding of social media; - Good photographic skills; - Mastery of video editing software (Adobe Première Pro); - At least one work placement in the development communications sector would be an asset; - Computer literacy (Pack Office); - -Good command of one of the two official languages and be fluent in the other. 	(1 Yaounde PMU)
		Accounting trainee	<ul style="list-style-type: none"> - Minimum of 3 or 4 years' higher education in accounting, management or corporate finance; - Proficiency in at least one accounting software package; knowledge of TOM2PRO would be an asset; - Familiarity with general, analytical and budgetary accounting; - Computer literacy (Pack Office); - -Good command of one of the two official languages and be fluent in the other. 	(1 Yaounde PMU)

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
		Trainee in Infrastructure	<ul style="list-style-type: none"> - Graduate in design engineering (5 years' higher education) in one of the following fields: Electrical engineering, architecture, hydraulics, sanitation, topography/geometry; - Sound knowledge of specialised software; - (Microsoft Project, Autocad, Revit, Infraworks...etc.) ; -Ability to work in a team and in a multicultural environment, to establish harmonious and efficient working relationships, and very good human qualities; -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other. 	(1) Yaounde PMU
		Trainee in Gender and Social Inclusion	<ul style="list-style-type: none"> - Minimum of 4-5 years' higher education; - University degree in gender and development studies, social sciences (sociology, anthropology, psychology), human rights, economics or any other relevant field; - At least one (1) year's practical experience in mainstreaming gender and social inclusion in development projects; - Ability to work with women's civil society organisations (CSOs); - Knowledge of gender issues and the rights of women and marginal groups such as indigenous peoples (Bororos, etc.); - Good command of gender analysis and gender tools; - Knowledge of gender-based violence (GBV), as well as aspects relating to sexual exploitation and abuse (SEA) and sexual harassment (SH), leading to a prevention and risk mitigation plan (HIV - STI, etc.); - Capacity to identify gender markers and social inclusion, as well as births in social compliance with projects would be a major asset; -Computer literacy (Pack Office); -Good command of one of the two official languages and be fluent in the other. 	(1) Yaounde PMU

No.	PROJECTS	FIELDS	QUALIFICATIONS	NUMBER OF POSITIONS
